RE: 2007 NTEU National Convention — Moment of Silence

During the General Session on the opening morning of the 2007 NTEU National Convention, NTEU will observe a **Moment of Silence** for any NTEU member who has died since the 2005 NTEU National Convention in San Diego. Just prior to observing the Moment of Silence, I will invite delegates to approach a microphone on the convention floor to identify any such NTEU member.

I wanted to bring this to your attention now so that each of you has an opportunity to think about any member you may want to mention during this Moment of Silence.

Please direct questions about this issue to Tony Reardon, NTEU's Chief Operating Executive, at extension 7045, or via e-mail at Tony.Reardon@nteu.org.
